Invitation

NAREDCO Real Estate Conclave & NAREDCO NextGen NCR Conclave

Dear Industry Leaders and Colleagues,

Greetings from NAREDCO!

We are delighted to invite you to the NAREDCO Real Estate Conclave & NAREDCO NextGen NCR Conclave, being organized in association with Bharat Buildcon on 19–20 June 2026 at Yashobhoomi, New Delhi.

This prestigious gathering will bring together key stakeholders from India's real estate ecosystem, including government dignitaries, industry leaders, policymakers, financial institutions, urban planners, technology innovators, and real estate professionals, to engage in meaningful discussions on the opportunities, challenges, and future direction of the sector.

As India continues its journey toward becoming a global economic powerhouse, the real estate sector remains a critical driver of growth, employment generation, infrastructure development, and urban transformation. The conclave will provide a unique platform for industry leaders and policymakers to exchange ideas, share best practices, and explore innovative solutions that can accelerate sustainable and inclusive development.

The deliberations will focus on key issues shaping the future of the sector, including regulatory reforms, affordable housing, housing finance, transit-oriented development, urban infrastructure, sustainability, digitization, emerging technologies, and investment opportunities. Special emphasis will be placed on fostering transparency, enhancing ease of doing business, strengthening consumer confidence, and creating a future-ready real estate ecosystem.

The NAREDCO NextGen NCR Conclave will further spotlight the aspirations and perspectives of the next generation of real estate leaders. Through engaging discussions and collaborative exchanges, young entrepreneurs and professionals will explore emerging trends, technological innovations, leadership opportunities, and the evolving demands of a rapidly changing marketplace.

Aligned with the vision of Viksit Bharat@2047, the conclave will examine how the real estate sector can contribute to building smart cities, modern infrastructure, efficient transit systems, and inclusive housing solutions that drive economic prosperity and social progress. The event will also explore how innovation, sustainability, and public-private partnerships can play a pivotal role in shaping India's urban future.

Beyond insightful discussions, the conclave will offer valuable opportunities for networking, business collaborations, policy engagement, and knowledge sharing among some of the most influential voices in the industry. It promises to be an enriching platform for forging new partnerships and collectively addressing the priorities that will define the next phase of India's real estate growth story.

Your presence and valuable insights will greatly enrich the deliberations and contribute to shaping a resilient, transparent, and future-ready real estate sector. We look forward to welcoming you to this landmark gathering and to jointly charting the path for the next phase of India's real estate growth story.

Shri Narendra Modi

Hon'ble Prime Minister of India

The entire country is engaged towards the making of Viksit Bharat, we are working with a resolution to ensure that every citizen of India would have a pucca house in developed India.

Shri Manohar Lal

Hon'ble Minister
Ministry of Housing and Urban Affairs
Govt. of India

Urbanisation is the pathway to Viksit Bharat. The country's urban transformation must be citizen-centric, inclusive and sustainable. The government is committed to creating clean, healthy and prosperous cities.

Shri Tokhan Sahu

Hon'ble Minister of State
Ministry of Housing and Urban Affairs
Govt. of India

If we invest wisely in resilience, empower local governments and harness the potential of Public-Private-People Partnerships, our cities will not only be able to withstand crisis but also emerge as powerful engines of growth.
